MHY PENDANT LAMP

FURNITURE / LIGHTING / ACCESSORIES

Norway Says on the design "Mhy has an elegant appearence and a strong personality. The playful shape of Mhy draws inspiration from illustrations and characters from our childhood's literature. The near size of Mhy allows the pendant to be mounted in clusters or rows over your meeting room table, in the canteen, in a reception or somewhere else where you would like to add a design element with unique, but understated character."

PROCESS	The shade is made by a press and spinning, welded together and shaped by leathering. Hand painted and assembled by hand.
